BY SEEING STONE GAMES

## SUGGESTED WALKTHROUGH

1. Choose pronouns and speak to Boabaird. Exhaust all possible dialogue and continue to MAP.
2. Travel to Cranborne. At Cranborne, proceed through the sidequest.
  - a. If you wait to see what the crowd does, you may end up with blood on your hands and an unhappy Boabaird.
  - b. Exhaust dialogue and investigation options and arrest someone.
  - c. You can accuse anyone to progress, but we suggest Marcia.
3. Return to Mai Dunn to speak to Boabaird. Ask if he has news on the tattooed man, and tell him you solved the Cranborne robberies for payment.
4. {*Optional*: Head to Goededdwig forest and ask Heliwr about the plants. This can be completed at any point after asking Boabaird about the plants.}
5. From Mai Dunn, head to Bath. Search for the tattooed man, wait for him to be alone, PERSUADE – don't threaten – and follow him. He will tell you all about his activities.
6. {*Optional*: Find the shop in Bath. Buy something. Treat yourself.}
7. Go from Bath to Noviomagus Reginorum – and from there, the governor's villa, Fishbourne Palace. Speak to him and be handsomely rewarded for your information. Head back to Noviomagus Reginorum, and maybe buy yourself something nice with all that money.
8. Return to Mai Dunn. Boabaird should have a request for you regarding Crann Locháinín. You can also update him on the tattooed man.
9. Go to Crann Locháinín. Exhaust all your search options.
10. Follow the dialogue onwards. When it comes time, LOOK AT THE WOMAN – she will guide you through what comes next.

### WELL-TRAVELLED, NOT WELL-INFORMED

1. Choose pronouns and speak to Boabaird. Exhaust all possible dialogue and continue to MAP.
2. Travel to Noviomagus Reginorum – and from there, the governor's villa. Tell him what you know. (He'll really like it, we promise.)

6. Return, once again, to the governor. Or try to, at least...

*Alternate editor playthrough: In the Inky editor, go to 'variables' line 69, and bump your starting supplies down. You'll get a unique event for forgetting to feed yourself for three days straight.*
